

EA Machining

CAPABILITY STATEMENT

COMPANY OVERVIEW

EA Machining, Inc. is a machine shop that specializes in prototype, short and long run production CNC turning and milling.

Established in June 2001, EA Machining offers our customers high quality, highly reliable fittings, connectors, bushings, pins, tooling, dies, fixtures and similar turned, machined products for the Aerospace, Aviation, Defense/Military, General Industrial, and Semiconductor Manufacturing Equipment industries.

CORE COMPETENCIES

- Up to 7 – Axis CNC Turning capabilities
 - CNC Turning up to 4-inches in diameter
 - Average batch size range is 10 to 2000
- Up to 3 – Axis CNC Milling capabilities
 - CNC Milling 10-inches plus in length
 - Average batch size range is 1 - 50
- Manufacturer of high precision, machined parts on the following equipment:
 - Samsung CNC SL 1500M Turning Center
 - Ganesh Cyclone 32CS Turning Center
 - Doosan Puma 2100SY High-Performance Turning Center
 - Eurotech 730SL Turning Center
 - Fadal Milling Centers
 - Okuma Crown and Cadet Turning Centers

DIFFERENTIATORS

- Approved annual AS 9100 D & ISO 9001 certified audits since 2013
- International Traffic in Arms Regulations (ITAR) certified
- Provide First Article Inspections (FAI), sample inspections and Certificates of Conformance (C of C)
- Conduct third party, annual calibration of measuring instruments
- Certified member of the Small Business (SB), Women's Business Enterprise National Council (WBENC), Women-Owned Small Business (WOSB), and National Minority Supplier Development Council (NMSDC)

COMPANY SUMMARY

Certifications: AS 9100D & ISO 9001: 2015, ITAR, Small Business, WBENC, WOSB, and NMSDC

DUNS: 104046482

CAGE CODE: 3EG31

NAICS CODES:

- 332510 - Aircraft Hardware Metal manufacturing
- 332710 – Machine Shops
- 332721 – Precision Turned Product Manufacturing
- 332722 – Bolt, Nut, Screw, Rivet and Washer Manufacturing
- 332912 – Fluid Power Valve and Hose Fittings
- 333241 – Food Machinery Manufacturing
- 333242 – Semiconductor Machinery Manufacturing
- 333249 – Other Industrial Machinery Manufacturing
- 333999 – All Other Miscellaneous General Purpose Machinery Manufacturing
